

# Donation Drive Toolkit

About Sojourner:

**Sojourner:**

**Advocates for victim safety;**

**Supports the transition from victim to survivor; and**

**Educates for the prevention and elimination of domestic violence.**

To that end, we provide services to victims of domestic violence, sexual assault and elder abuse. Our ultimate goal encourages the change from crisis to stability and the transition from victim to survivor. **Sojourner Shelter** is an emergency housing facility for women and children unsafe in their homes. The **Community Legal Advocacy Program** provides intervention services, legal advocacy, safety assessment and planning, personal support, therapy, referral information and court accompaniment for victims in our service area. In order to build safer communities, Sojourner's **Community Outreach and Education Program** conducts outreach activities and specifically designed presentations to heighten public awareness and engage groups and individuals in educational opportunities to prevent future victims and abusers. All Sojourner services are confidential and free of charge.

## Why host a drive:

When families come into Sojourner Shelter they often are in need of basic necessities like clothing, toiletries, diapers, school supplies and linens. Sojourner strives to provide families who stay with us those basic necessities, as well as items which serve to support the dignity and comfort of our residents. Donation drives allow us to provide these items while putting monetary donations towards direct services and emergency funds for our clients. Donation drives also serve to support Sojourner keeping our overhead low and focusing our attention where it is most needed: on direct advocacy!

Donation drives also are a vehicle to raise awareness about domestic violence and sexual assault happening in our communities. Sojourner is happy to provide a speaker to share our message with your organization.

## How to host a drive:

**Step 1.** Contact Sojourner's in-kind donation coordinator Becca at 952-351-4067 or [Becca@SojournerProject.org](mailto:Becca@SojournerProject.org) to discuss current top needs and decide upon what you will collect.

**Step 2.** Decide what your timeline is. Your drive can go a week, a month or a season. It can even be ongoing.

**Step 3.** Get permission from your company or organization to place a collection receptacle in a spot that is accessible to everyone. We recommend bins or boxes with prominent signage. If you need help with obtaining bins, please let us know so that we can assist.

**Step 4.** Advertise! Place an article in your newsletter, post your drive on Facebook, and send out e-mail blasts. Post signs (Sojourner can provide you with a sample). Don't forget to put signs on your donation receptacle! Tell people what donations you are seeking and who the donations will be helping.

**Step 5.** Decide on a schedule for donation delivery. Please contact us and we will arrange for a donation appointment.

Other ideas: Decorate a portion of the office or school to make the drop-off area exciting. Incorporate into existing events, especially company picnics or school celebrations.

## Other ways to help:
